

Parish of Whitton

Aldbourne, Baydon, Chilton Foliat, Froxfield, Ramsbury with Axford

Celebrating Harvest and Creation

Support the **Swindon Food Collective** by making a scarecrow out of items you no longer want and leave a box out for people to donate food and necessities for those in need.

Launch 27th September, 10am: Harvest Team
Communion in Holy Cross, Ramsbury

Close 25th October , Gift Day for the Food Collective in St Michael's Aldbourne, for donations in cash and kind; service at 3.45pm.

See church notices and whittonteam.org.uk for details.

Celebrating Harvest 2020 – in more detail

Scarecrows are traditionally used to deter things which prevent crops developing to their full potential. More recently they have become a source of entertainment.

By creating scarecrows from materials, which otherwise would be thrown away, we are seeking to draw a connection between looking after God's world and bountiful harvests.

Put it in your garden or window, and share it on our Facebook page: [@WhittonTeamNews](https://www.facebook.com/WhittonTeamNews). Add a collection bin if you wish. Supplies collected for the Swindon Food Collective can be taken to your local church porch collection point.

There will be services on **4th October** to celebrate creation and on **18th October** to celebrate the work of those involved in health and social care in our communities, both in St Michael's Aldbourne at 10am.

There will also be services online at 11.30am each week. (Joining details on the team website.)
